

Call for the release of n. 2 awards to forestry professionals employed by public forestry agencies or private forestry companies, as a contribution to the expenses for their participation to FORMEC 2024

The National Union for Forest Scientific Innovation (UNIF), a non-profit association, in collaboration with the Italian Academy of Forest Sciences (AISF), the DAGRI of the University of Florence and the National Research Council (CNR), former organizers of FORMEC 2023, as part of its aims of promoting scientific research in the forestry sector of particular social and environmental interest and of encouraging the dissemination of research results in the interest of the community, offers a contribution to the expenses in favor of n.2 forestry professionals, employed by public forestry agencies or private forestry companies, who offered a presentation at the FORMEC Conference, held in Gdansk, Poland from 11 to 14 June 2024. The maximum contribution to participation expenses amounts to 450 euro and is intended to cover the registration costs for the conference.

Who can apply

Forestry professionals, employed by public forestry agencies or private forestry companies, who offered a presentation at the FORMEC Conference, held in Gdansk, Poland from 11 to 14 June 2024 (henceforth Formec 2024).

Requirements

Participants must be born after January 1, 1974, hold a degree in forestry sciences or equivalent in compliance with the university system of the State where they received their higher education, be employed on a permanent basis at a public agency or private company in the forestry sector.

Evaluation procedure

Candidates will be evaluated based on:

- Appreciation by the evaluation commission of the report presented at Formec 2024
- CV: the candidate's CV will be considered for the consistency of the candidate's studies and professional experience with the subjects of the conference and, more generally, with the forestry engineering community
- In case of equal evaluation, priority will be given to female candidates and younger candidates.

Applications

Applications must be sent to the email address fdnogare@unif.org and must contain:

- Personal data of the candidate (name, date and place of birth, nationality, current residence)
- Current job position with the exact indication of the public or private agency for which the candidate works

The following documents must be attached to the application:

1. Brief Curriculum Vitae
2. Photocopy of a valid identity document
3. Abstract of the presentation held at Formec 2024
4. Certificate of participation to Formec 2024
5. Receipt for the payment of the participation fee for Formec 2024

Deadline

The call for applications is open and the deadline is set for 15 november 2024 pm (Rome time).

Evaluation Committee

The evaluation committee is constituted as follows:

Prof. Federico Maetzke - AISF

Dr. Natascia Magagnotti - CNR IBE

Prof. Enrico Marchi - University of Florence

Dr. Elena Marra – CNR IRET

Dr. Raffaele Spinelli - CNR IBE

Prof. Davide Travaglini – UNIF

Results of the evaluation procedure

Winners will be informed directly through e-mail

The final result of the evaluations will be published on the UNIF website

Disbursement of the awards

The awards will be paid out by bank transfer to the winners' own accounts

Publication of the Call

The call, as well as any further information, modification or addition to it, will be made known through publication on the website of UNIF (association onlus) (<http://www.unif.org>) and of the Italian Academy of Forest Sciences (<https://aisf.it>).

Treatment of personal data

The personal data transmitted with the request to participate in the tender, pursuant to Legislative Decree 10 August 2018, n. 101 containing "Provisions for the adaptation of national legislation to the provisions of EU Regulation 2016/679 (GDPR) of 27 April 2016, relating to the protection of natural persons with regard to the processing of personal data, as well as the free circulation of such data and which repeals Directive 95/46/EC (General Data Protection Regulation)" will be processed for the purpose of managing the selective procedure. At any time, interested parties may exercise their rights pursuant to the aforementioned legislation.

Transitional rule

If no calls are received, or if the Evaluation Committee deems the works presented by the candidates to be unsuitable, the amount of the prize will be allocated to other UNIF initiatives.
